

4. "When you see that the hard times are ending, you will remember this prophecy of Jeremiah, and you will know that I am the God who saves you. Have hope!"

1. Jeremiah was just a young boy when God called him to be a prophet to Israel. A prophet is someone who tells people what God thinks. Jeremiah's people were in danger, and they were sad and hurting.

Jeremiah 33:14-16

2. But Jeremiah had a message of hope from God. God said, "I have made an ancient promise to Israel and the family of Judah."

3. "In the right time, I will bring a holy person to lead the family of Judah and all Israel. Like a branch growing from a tree, my righteous one will bring justice and righteousness to everyone. Then all Israel will be safe from trouble."
