Thank you for making our 3-part fundraiser a success!

December 6, 2022

Last May, Jodi and Marj were saying that something needs to be done to bring our congregation back together after a long COVID shut down. Then Nancy was talking about all the talented servers and craft people we have in our church family. Then Joan said maybe we could have a Turkey supper and Wendy said she could help. Rosemary mentioned the Silent Auctions we used to have. We brainstormed with Angie, Nick, Kessa and Patrick who said they'd be willing to do the computer stuff and by now you've probably figured out how this event evolved with many, many people becoming involved and sharing their time and talents to bring this 3-part fundraiser together.

Marj wishes that the beautiful bouquet she received on Sunday could be shared with all the people who contributed to this wonderful weekend. Much more than money was generated, it was the sense of community and energy it created.

Thanks to everyone!
